The three rules in real estate are "location, location, location." Escape the hustle and bustle as the location of this home offers a peaceful setting on a quiet cul-de-sac. This three-bedroom, two bath home offers the perfect blend of a comfortable lifestyle and possibility. The living room, updated kitchen and dedicated dining room offer a mid-century feeling of comfort, while a retro winding staircase leads to a spacious loft, perfect as an office or library. The sun-filled family room with vaulted ceiling and retro wet bar opening to the lush backyard and refreshing pool, making it the perfect place for family and friends to gather and relax. The interior has been freshly painted and the kitchen and furnace are approximately 3 years old. Off the beaten path it's only a hop, skip and a jump to downtown Sierra Madre's restaurants and shops. This one-owner home has been lovingly enjoyed by the same owner since 1963. Now it's time for a new family to reimagine it and enjoy living there for years to come! Don't wait - this gem oozes potential.
